B.A. LL.B.

(Integrated 5 Year Course)
School of Law

Effective from AcademicYear2024-25

Program Structure

Vision and Mission of Program:

Vision:

To establish an institute globally known for excellence in legal education through blended mode of theory and practical learning to produce socially sensitive and morally sound future legal fraternity

Mission:

- To design Curriculum which is comparable with elite Indian institutes and has international understanding.
- To provide state of the art infrastructure and faculty which has professional experience blended with excellent academic performance
- To create self-sustaining base for experimental learning through mooting practices, drafting & pleading, theme-based internship & industrial visits.

Program Educational Objectives:

Here are some possible Program Educational Objectives (PEOs) for a B.A. LL. B

- **PEO 1-**To make graduates of the B.A LL.B. Program capable of contributing towards Nation's development agenda through their ability to solve diverse and complex legal issues
- ➤ **PEO 2-To transform** graduates of the B.A. LL.B. Program into successful legal fraternity for handling legal issues, by developing legal skills in core areas such as Constitutional laws, Civil Laws, criminal laws and bossiness laws
- ➤ **PEO 3-**To equip graduates of the B.A LL. B Program with essence of responsibility to serve the society through their professional skills in advocacy, judicial and other legal services

Program Outcome

Here are some possible Program Outcomes (POs) for B.A. LL.B. program:

PO-1	To make awareness about Constitutional legislative & societal transformation in society & to develop clinical abilities.
PO-2	To acquire & apply legal knowledge to the complex Socio-legal problems.
PO-3	Interpreting and analyzing the legal, economic and social problems with its most Probable and relevant solutions too.
PO-4	Understanding the ethical, social, political and economic context in which the Basic concepts, values, principles and rules of the Legal System are competing.

PO-5	Inculcating the sense of responsibility and values of Rights and Duties, and
	Application of these values in real life through legal and judicial orders for
	promoting community welfare.
PO-6	Adopting ethical principles of legal profession and exploring the professional
	responsibilities
PO-7	Analyzing the impact of legal remedies in societal and environmental contexts
	and demonstrating the knowledge of and need for sustainable development.
PO-8	Developing ability to engage in life-long learning in the broader context of legal change.
PO-9	Exploring the substantive & Procedural laws as well as an understanding of the
	Legislative frame work.
PO-10	Demonstrating the advocacy skill before various judicial and non-judicial forums With effective communication.

Program Specific Outcomes

PSO-1	Should be able to Demonstrate understanding of substantive and procedural law sufficient to enter the legal profession and professions in which legal knowledge is an advantage.
PSO-2	Should have the capability to understand the laws at national and global level and to solve the client's problem
PSO-3	Developing the skill of drafting & pleading in the prescribed formats with clarity in language.
PSO-4	Developing skills of Collaboration, Negotiation, counseling and other ADR (Alternative Dispute Resolution) techniques for the ethical implementation of law.
PSO-5	Understanding the standards of conduct involved in practice of law and demonstrate values of legal profession.
PSO-6	Analyzing, synthesizing, and disseminating current judgments of Higher courts in Order to relate prevailing laws.
PSO-7	Understanding Indian legal frame work, laws and connected rules & regulations.
PSO-8	Understanding Social, Political, Legal and Economic concepts, Legal theories, Environmental law in reference of existing legal system.

Course Objectives (CO): Course Learning Outcomes (CLO):				 Introduce students to the fundamental principles of contract law, including formation, enforceability, and performance of contracts. To provide students with the ability to identify and evaluate the essential elements of a valid contract such as offer, acceptance, consideration, and the intention to create legal relations. To familiarize students with concepts such as capacity to contract, consent, and the defenses to contract enforcement, including undue influence, duress, and misrepresentation. To equip students with practical skills in applying contract law to real-life situations and drafting legally sound contracts for commercial, personal, and business contexts. To familiarizes students with concepts such as capacity to contract, consent, and the defenses to contract enforcement, including undue influence, duress, and misrepresentation Explain the fundamental principles of contract law including proposal, acceptance, 			
			consideration, and capacity to contract, and describe the evolution of contractual obligations. 2. Apply contract law principles to analyze the validity of agreements and assess the enforceability of contracts involving minors, unlawful objects, and vitiated consent. 3. Analyze the role of free consent, misrepresentation, fraud, and mistake in determining the legality and enforceability of contracts. 4. Evaluate remedies such as damages, specific performance, and injunctions available for breach or non-performance of contracts and assess the impact of frustration and discharge. 5. Construct legal arguments and draft reasoned opinions on complex contractual scenarios involving quasi-contracts, unjust enrichment, and equitable reliefs under the Specific Relief Act.				

Course Contents/Syllabus: (All the units carry equal weightage in Summative Assessment and equal engagement)

Descriptors/Topics	CLOs	Hrs	
Unit I:	CLO 1,5	9	
 1. General Principles of Law of contract History and nature of contractual obligations. Agreement and contract: definitions, elements and kinds. Proposal and acceptance-their various forms, essential elements, communication and revocation- proposal and invitations for proposal. 2. Standard Form of Contracts 	CLO 1,5		
Nature, advantages			
Unit II:	CLO 2,5	9	
 Its need, meaning, kinds, essential elements- nudum pactum, privity of contract and of consideration-its exceptions, adequacy of consideration present, past and future consideration, unlawful consideration and its effects. Capacity to Contract Capacity to contract-meaning-incapacity arising out of status and mental defect-minor sagreements- definition of "minor - accessories supplied to a minor- agreements beneficial and detrimental to a minor - affirmation - restitution in cases of minor sagreements - fraud by a minor - agreements made on behalf of a minor-minor sagreements and estoppel- evaluation of the law relating to minor sagreements- other illustrations of incapacity to contract. 			
Unit III:	CLO 3,5	9	
 Its need and definition-factors vitiating free consent. Coercion-definition-essential elements- duress and coercion-various illustrations of coercion- doctrine of economic duress-effect of coercion. Undue influence- definition-essential elements- between which parties can it exist? Who is to prove it? Illustrations of undue influence- independent advice-pardahanshin women-unconscionable bargains-effect of undue influence. Misrepresentation- definition- misrepresentation of law and of facttheir effects and illustration. Fraud- definition- essential elements- suggestion falsi-suppresio veriwhen does silence amounts to fraud? Active-concealment of truthimportance of intention. Mistake- definition- kinds- fundamental error- mistake of law and of facttheir effects- when does a mistake vitiate free consent and when does it not vitiate free consent? 			

 2. Legality of object Void agreements- lawful and unlawful consideration, and objects- void, voidable, illegal and unlawful agreements and their effects. Unlawful considerations and objects: Forbidden by law Defeating the provisions of any law Fraudulent Injurious to person or property Immoral Against public policy Void Agreements: Agreements without consideration Agreements in restraint of marriage Agreements in restraint of trade Agreements in restraint of legal proceedings- its exceptions. Uncertain agreements Wagering agreement- its exception. Discharge of a contract and its various modes. 		
Unit IV:	27.2.2.1.5	
 I. Discharge of Contract By performance- conditions of valid tender of performance- How? By whom? Where? When? In what manner? Performance of reciprocal promisestime as essence of contract. By breach- anticipatory breach and present breach. Impossibility of performance- specific grounds of frustration- application to leases, theories of frustration- effect of frustration- frustration and restitution. By period of limitation By agreement- rescission and alteration- their effect-remission and waiver of performance- extension of time- accord and satisfaction. Quasi-contracts or certain relations resembling those created by contract Remedies in contractual relations: Damages-kinds-remoteness of damages-ascertainment of damages Injunction-when granted and when refused- Why? Refund and restitution Specific performance- When? Why? Certain Relations resembling those created by Contract Theory of Unjust Enrichment Theory of "implied – in – fact" contract Provisions of the Indian Contract Act 	_ CLO 3,4,5	9

Unit V:	CLO 4,5				
1. Specific relief					
Specific performance of contract					
Contract that can be specifically enforced					
 Persons against whom specific enforcement can be ordered 					
Rescission and cancellation					
 Injunction 					
Temporary					
Perpetual					
Declaratory orders		1.0			
Discretion and powers of court.
