Why Choose PCU School of Law?

Curriculum Designed for Future Legal Leaders

At PCU, our Law programs is designed to provide students with a holistic understanding of law combined with a strong foundation in the liberal arts. This innovative program integrates the study of law with subjects from humanities, social sciences, and liberal arts, offering students a unique interdisciplinary perspective on legal issues. With a duration of five years, students delve into core legal subjects such as Constitutional Law, Criminal Law, Contract Law, and more, while also exploring areas like economics, journalism & mass Communication, Psychology etc.

Experienced & Industry-Connected Faculty

Our faculty members are experienced legal professionals and academicians who bring years of expertise to the classroom. They're committed to mentoring and equipping you with the skills and insights needed to excel in the legal field.

Modern Infrastructure (Moot Courts & Legal Labs)

From state-of-the-art moot courtrooms to a well-stocked legal library and advanced digital resources, our campus provides the tools you need to thrive academically and professionally.

Strong Legal Industry Network

We have collaborations with reputed law firms, corporate houses, and NGOs, giving you opportunities for internships, real-world exposure, and connections that help launch your legal career.

Practice-Based Learning & Case Analysis

At PCU, learning goes beyond textbooks. You'll participate in mock trials, moot court competitions, and legal research projects, gaining hands-on experience that prepares you for a successful legal career.

Experiential Legal Learning at PCU

The School of Law at Pimpri Chinchwad University ensures strong industry exposure and practical learning by organizing insightful industrial visits to Judicial Courts, Mumbai Vidhan Bhavan, and various legal institutions, enabling students to witness real-time legal proceedings, legislative functioning, and public administration. Along with these experiences, the School regularly conducts expert-led programs such as guest lectures, webinars, panel discussions, and skill-enhancing workshops on emerging legal areas including Cyber Law, IPR, Mediation, and Arbitration, further supported by personality development and communication training. These engagements help students gain valuable mentorship, build professional networks, and explore diverse legal career pathways, ensuring they graduate as competent, ethical, and industry-ready legal professionals.
