PIMPRI CHINCHWAD EDUCATION TRUST

Pimpri Chinchwad University (PCU) is a dynamic university focused on cultivating academic excellence, innovation, and strong industry connections. Located in Pune's vibrant educational and industrial hub, PCU provides students with the skills, knowledge, and real-world experience necessary to succeed in today's competitive global marketplace.

ABOUT PCET

The Pimpri Chinchwad Education Trust (PCET) was founded by the visionary Late Shri. S.B. Patil in September 1990 with a profound commitment to delivering high-quality, value-based education. From its inception, PCET's core goal has been to provide transformative educational experiences that enrich individuals and empower communities. Its mission is to serve society, industry, and all stakeholders by offering exceptional educational opportunities across various disciplines, including engineering, management, and computer applications.

PCET is dedicated to fostering an environment where the creation, dissemination, preservation, and application of knowledge thrive. This commitment extends to nurturing artistic expression and upholding academic values that prepare students for the complexities of the modern world. At the Akurdi campus in Pune, approximately 7,200

students are immersed in specialized programs such as Engineering, MBA, MCA, and PGDM. These programs are delivered by a team of dedicated and passionate educators who are committed to guiding students towards academic and professional excellence.

The Ravet campuses further bolster PCET's educational mission. The College of Engineering houses around 1,200 students, while the Junior College accommodates 800 students and the Public School serves approximately 2,500 students. Together, these campuses form a vibrant academic community with a total student body of around 11,700.

PCET's unwavering focus on excellence in education, combined with its expansive range of programs and dedicated faculty, continues to set a benchmark in delivering quality education and fostering holistic development.

ABOUT PCU

Since its inception in 1990, Pimpri Chinchwad Education Trust (PCET) has been a beacon of academic excellence. Our mission is to ignite a passion for learning and foster growth in every student. With 11 institutes across our campuses in Nigdi, Ravet, and Sate, PCET has impacted the lives of over 46,000 students.

Our renowned institutions, including Pimpri Chinchwad College of Engineering, Pune Business School, and S.B. Patil College of Architecture & Design, are among the most sought-after in the country. The establishment of Pimpri Chinchwad University (PCU) marks a new chapter for PCET, with the aim of transforming students into future leaders and innovators. Located on a sprawling 30-acre campus in the bustling Pune Metropolitan Area, PCU is equipped with state-of-the-art facilities that inspire and empower both students and faculty. PCU provides quality education across a diverse range of disciplines, including Engineering, Design,

Pharmacy, Health Sciences, Computer Applications, and Media. Our modern laboratories are outfitted with cutting-edge technology to enhance practical learning. We maintain a disciplined academic environment that ensures rigorous and effective education.

Our expert faculty members, who bring extensive experience and knowledge to their teaching, play a crucial role in delivering high-quality education. Additionally, PCU offers advanced certifications to provide students with specialized skills and qualifications. We also have strong international collaborations, partnering with global institutions to offer students a broader perspective and opportunities for international exposure. With our proximity to major industry players like General Motors, JCB, and Infosys, students have exceptional opportunities to engage with the business world and gain valuable real-world experience.

PCET FOUNDER MEMBERS

Late. Shri. Shankarrao B. Patil
Founder Chairman, PCET

Late. Smt. Lilatai Shankarrao Patil
Ex. President, PCET

Pimpri Chinchwad Education Trust (PCET) takes pride in its pivotal role in making Pune a premier educational hub. Established in 1990 by the visionary leaders Late Shri. Shankarrao B. Patil, Late Smt. Lilatai Shankarrao Patil, Shri Dnyaneshwar P. Landge, Shri. Vitthal S. Kalbhor, Shri. Shantaram D. Garade, and Late Shri. Bhaijan Kazi, PCET was founded with the mission to provide high-quality education from kindergarten through postgraduate levels.

Today, PCET operates nine educational institutions across its Nigdi and Ravet campuses, including Pimpri Chinchwad Polytechnic, Pimpri Chinchwad College of Engineering, Pimpri Chinchwad College of Engineering and Research, Pune Business School, S.B. Patil Institute of Management, S.B. Patil College of Architecture & Design, S.B. Patil College of Science & Commerce, and S.B. Patil Public School. Additionally, PCET administers two engineering colleges in Talegaon: NMIET and NCER.

PCU BOARD OF TRUSTEE'S

Shri. Dnyaneshwar P. Landge
Chairman

Smt. Padma M. Bhosale
Vice Chairperson

Shri. Vitthal S. Kalbhor
Secretary

As the Chairman of the PCET Board of Trustees, Shri Dnyaneshwar P. Landge plays a pivotal role in steering the strategic vision of the Trust. With extensive experience in education and community development, he is committed to advancing the Trust's mission and fostering an environment of academic excellence.

Smt. Padma M. Bhosale, the Vice Chairperson, brings a wealth of experience in leadership and administration. Her strategic insights and dedication support the Trust's initiatives, ensuring effective governance and the smooth functioning of various educational programs.

As Secretary, Shri Vitthal S. Kalbhor oversees the administrative and operational aspects of the Trust. His expertise in organizational management ensures that PCET's policies and procedures are implemented efficiently, contributing to the overall success of the institution.

Shri. Shantaram D. Garade
Treasurer

Shri. Harshvardhan S. Patil
Trustee

Dr. Girish Desai
Executive Director

Shri Shantaram D. Garade, the Treasurer, is responsible for managing the Trust's financial health. He ensures the responsible allocation of resources, enabling PCET to invest in its educational and infrastructural development.

Shri. Harshvardhan S. Patil serves as a Trustee, offering valuable guidance and support to the Trust. His involvement is crucial in shaping the strategic goals and ensuring that the institution's initiatives align with its vision and mission.

Dr. Girish Desai, the Executive Director, provides dynamic leadership and oversees the execution of the Trust's strategic plans. His role involves driving innovation and excellence across PCET's educational offerings, ensuring that the Trust remains at the forefront of academic and administrative excellence.

PCU ACADEMICS PEDAGOGY AT PCU

01

NEP Compliant Curriculum

PCU add new curriculum to ensure that we are in pace with industrial needs, keeping in mind the guidelines of NEP. PCU updates the syllabus continuously by taking the help of industry experts to arm the student with practical knowledge and skills applicable directly to real-world situations. Strategic relevance focus in curriculum design facilitates a smooth transition of graduates to the work environment, thus improving employability significantly.

02

Contemporary Majors Designed by Industry and Academic Experts

PCU academic offerings include contemporary majors crafted by industry and academic experts, ensuring alignment with international standards. The course-structure is efficiently tailored to align with current trends and the future developments, boosting its significance and forward-looking nature.

03

Project-Based exploratory learning

PCU prioritizes experiential learning through community engineering projects that enable students to apply theoretical and practical contexts for societal benefit. This hands-on approach enhances comprehension while cultivating critical thinking and problem-solving skills which is essential for professional upliftment.

04

International and National Certifications

To augment the qualifications of our graduates, PCU facilitates opportunities for obtaining international and national certifications across various disciplines. These credentials validate the skills acquired during their studies and bolster their global employability. The partnerships with esteemed organizations ensure that these certifications are recognized and valued across multiple industries.

05

Multidisciplinary Minors

At Pimpri Chinchwad University (PCU), we believe in the power of universal education which aligns with the National Education Policy (NEP). That's why we offer multidisciplinary minors that let students expand their academic interests and explore new areas beyond their main fields of study. This initiative not only helps create a well-rounded educational experience but also prepares students to be ready for today's fast-changing job market. Students from engineering background can also able to learn minors from other disciplines like social sciences law, etc.

06

Research and Innovation Atmosphere

PCU cultivates a robust atmosphere conducive to research and innovation. The university encourage and supports interdisciplinary research activities by motivating students for generating research-based outcomes. Students are guided in publishing their research work in reputed conferences and journals. Some of our students have already won best research paper award in the competition conducted under the heads of Viksit Bharat 2024. Facilities like plagiarism checking are freely provided to all of our students and faculties.

07

Dedicated Faculty with Industry Experience

PCU faculty consists of seasoned professionals with substantial industry experience, providing students with education rooted in practical applications. Their insights into industry dynamics equip students with a comprehensive understanding of their chosen fields, effectively bridging the gap between theory and practice.

08

Ability Enhancement through Foreign Language Courses

To equip PCU students for a global job market, PCU offers foreign language courses that enhance communication skills and cultural awareness. Proficiency in foreign languages significantly improves employability and facilitates engagement with diverse communities, expanding professional networks. Currently we are providing sessions on foreign languages like German, Japanese and

09

Focus on Placement Preparation

PCU acknowledge the critical role of placement preparation and have established comprehensive support systems to assist students in securing desirable positions after graduation. Our placement cell conducts workshops, mock interviews, and resume-building sessions, ensuring students are thoroughly prepared for the competitive job landscape.

HR Leadership Conclave & Excellence Awards Delhi - 2025

STUDENT'S FEEDBACK

The PCU blends expertise with genuine support, using interactive case studies and presentations to make learning practical and engaging. Professors are approachable and consistently encourage students, helping them build confidence and industry-ready skills in a motivating environment.

-Sejal Gade
School of Management

Pimpri Chinchwad University is Excellent campus with supportive staff and modern infrastructure. Teachers explain concepts clearly and encourage student participation and Faculty members are also very supportive.

- Aditi Jadhav
School of Management

The Pimpri Chinchwad University's campus is well designed and developed in a beautiful environment. Campus is clean and well maintained and all facilities are easily accessible to students. College provides good academic facilities and supportive faculty members. The teachers are cooperative and supportive to students. They are always ready to help students to solve their queries. Faculty members also guides students to learn new skills and techniques.

- Yogesh Mhase
School of Management

Pas an MBA student at PCU Pune, I found that the program offers practical, industry-aligned coursework and exceptional faculty guidance. Campus life is dynamic, filled with events, workshops, and networking opportunities that meaningfully contribute to both personal and professional development.

- Khusbu Prithyani
School of Management

Studying at PCU helped me a lot to change my personal experiences and personality. The faculty of my department are supportive, provide guidance and also ensure to enhance students' skills and performance by conducting various sessions and seminars. The infrastructure involves a good environment and also includes canteen facilities too. Overall I'm having a great experience and building myself for a better future ahead!!

- Khushi Thapar
School of Management

As a first-year MBA student, my experience so far has been exceptional. From the very beginning, every faculty member has been incredibly supportive and approachable. Their depth of knowledge and experience makes it easy for students to engage and keep pace in the classroom. My journey at the college, from the first day to now, has been truly remarkable and rewarding.

- Shubhrant Bakshi
School of Management

PARENTS FEEDBACK

Sanjay Thorve

All the trustees are excellent. The university offers a refreshing environment, supportive faculty, and a well-maintained hostel facility for students. I highly recommend that all parents visit Pimpri Chinchwad University in Pune.

Rajendra Jadhav

My experience over the past year at Pimpri Chinchwad University, Pune, has been positive. The hostel facilities and teaching methods are commendable. I would like to express my gratitude to the trustees and all the heads of PCU.

Ashwini Rasal

PCU has experienced faculty members who provide excellent support and motivation to students. The coordination of exam facilities is smooth, and regular parent-teacher meetings ensure strong communication between the faculty and students. Overall, the support and guidance offered by the teachers are excellent

Narayan Karpe

PCU has experienced faculty members who provide strong support to students, preparing them exceptionally well. I am satisfied with the facilities they offer.

INDUSTRY EXPERT FEEDBACK

Mr. Mukesh Kataria

Senior Executive, IBM

PCU prioritizes the all-around development of students with state-of-the-art infrastructure in a pollution-free environment. With excellent faculty and a strong academic focus, including courses on human values, PCU is an outstanding choice for aspiring students.

Mr. Bharat Pawar

Vice President of Tata Communications

I was impressed by the students' enthusiasm and curiosity, making the interaction engaging. Pimpri Chinchwad University stands out as a top institution committed to bridging academic knowledge with industry practices and nurturing the next generation of engineers.

Ms. Arya Taware

Founder and CEO of Future Bricks

With excellent faculty and a strong academic focus, PCU is an exceptional choice for aspiring students. The faculty provides exceptional support, thoroughly preparing students for their future.

Mr. Prasad Muddam

Founder, CEP and Chief Industrial Designer
Heamac Healthcare Pvt. Ltd.

As someone with experience in the design industry, I'm truly impressed by the work Pimpri Chinchwad University (PCU) and Pune Design School are doing to build a vibrant design culture. Pune Design School stands out for its focus on hands-on learning and strong ties to the industry. The students are not only equipped with the technical skills they need but also the creative mindset to excel.

Dr. Sanjay Singh

Sr. Journalist

Pimpri Chinchwad University stands out by providing students access to esteemed industry experts, enhancing their academic experience and giving them a head start in their careers. The collaborative environment encourages students to explore ideas, take risks, and push the boundaries of innovation.

Mr. Neeraj Sharma

Director, People Operation, CAVISTA

I had a wonderful experience interacting with the B.Tech and MBA students of Pimpri Chinchwad University. The students displayed strong communication skills, clarity of thought, and genuine eagerness to learn. Their professionalism and industry awareness were truly impressive. I look forward to more such engaging interactions and continued collaboration with PCU.

Mr. Naresh Golla

Founder of DFL Group & DIFT Foundation,

PCU stands out for its unique blend of academic rigor and industry relevance, with students who are knowledgeable, curious, and passionate about making a difference. The dedicated faculty members I met are genuinely invested in the students' success, creating a supportive learning environment.

Shri. Sachin Itkar

Industry Expert, Healthcare Sector

Having worked in the industry, I'm genuinely impressed by the way Pimpri Chinchwad University is nurturing a culture of growth and innovation. The university strikes the perfect balance between creativity and real-world application, creating an environment where students are encouraged to grow, explore, and truly thrive.

ENTREPRENEURS UNITE TO CELEBRATE INNOVATION AND GLOBAL VISION

The Global Entrepreneurs Conclave (GEC Pune 2025), held from 10th to 11th January 2025 at The Orchid Hotel, Balewadi, Pune, was a landmark event that redefined Maharashtra's global entrepreneurial vision. Conceptualized under the theme "Defining Global Maharashtra's Vision", the conclave brought together a dynamic convergence of over 1,200 delegates, 500 startups and entrepreneurs, 200 corporates, 100 global speakers, 50 government officials, and representatives from 30+ countries, making it one of the most impactful gatherings of business minds, innovators, and policymakers. The event served as a vibrant platform for knowledge sharing, cross-border networking, investment facilitation, and mentorship, creating meaningful opportunities for startups and industry leaders alike. It witnessed participation from across the USA, UK, Germany, Japan, Australia, Africa, the Middle East, Singapore, and several other business hubs, establishing Pune as a true international center for innovation and entrepreneurship. Dignitaries from government bodies, business chambers, industry associations, and policy think-tanks added further depth, making GEC Pune a global hub for dialogue, collaboration, and growth. The two-day conclave was thoughtfully structured with diverse and engaging sessions such as Entrepreneurial Growth Tracks, Innovation Showcases, Investor Meets, Youth Pitch Fest, Women Entrepreneurs Panel Discussions, and a Mentorship Conclave, all of which focused on building entrepreneurial capacity, showcasing innovation, and connecting visionary minds. A standout highlight of the event was the launch of the GEC 360° Business Networking App, an exclusive digital platform developed to enhance delegate engagement. Equipped with AI-powered matchmaking, it allowed registered participants to view attendee profiles, schedule 1-on-1 meetings (virtual or in-person), and network seamlessly during and up to 90 days post-event. The platform facilitated over 327 verified business meetings, accelerating partnerships, collaborations, and investment dialogues.

ENTREPRENEURS UNITE TO CELEBRATE INNOVATION AND GLOBAL VISION

For startups and investors, GEC Pune 2025 was a game-changer, offering curated spaces for private business meetings, pitching sessions, and networking zones that encouraged collaboration and mentorship. The conclave became a launchpad for new ventures, fostering discussions around scaling, innovation, and global market entry. Organized through the visionary collaboration of the Global Maharashtra Group (GMG), Pimpri Chinchwad University (PCU), and the Maharashtra Economic Development Council (MEDC), GEC Pune 2025 emerged as more than just a conference—it was a catalyst for inclusive entrepreneurship, digital transformation, and sustainable economic growth. The synergy among these three organizations reflected a shared mission: to drive innovation, technology, research, and entrepreneurial excellence across Maharashtra and beyond. The conclave set a powerful precedent for future editions, notably GEC Dubai 2025, and reinforced Maharashtra's position as a thriving global economic powerhouse. It marked the beginning of a long-term legacy—one that will continue to connect, empower, and transform the global entrepreneurial ecosystem, proving that GEC is where innovation truly meets opportunity.
